Light Hand
Requires two AAA (LR03)
batteries, not included.

**Important: Please save this instruction sheet.
It contains valuable product information.**

SpyX Light Hand – Lights at your fingertips, the fun way to light up the dark.

1. **To put on the Light Hand:** Slip your hand through the elastic wrist strap until light hand is positioned over the back of your hand. (see Fig. 1)
2. Slide each clip onto your fingertips. You can adjust the position as needed for comfort.
3. Turn on the Light hand by pressing the On/Off Button one time. (Fig. 2)
4. Activate the Flashing light pattern by pressing the On/Off Button one more time.
5. Turn off the Light Hand by pressing one more time.
6. **Tip: To save battery power remember to turn off the Light Hand when not in use.**
